What advertisers say

“Honest review = real trust. Our affiliate signups doubled.”

— AM Lead, CPA Network

“The Dude actually tested our tool. The writeup was brutal and fair — and it worked.”

— Founder, SaaS

Rules

Every placement is labelled “Sponsored”. Nothing an advertiser buys changes a Dude Score, a user rating or a ranking position. Sponsored reviews use the same tests and axes as every other review. Full methodology: https://affdude.com/methodology/
